IN RE: TRI-STATE
CREMATORY LITIGATION

MDL DOCKET NO. 1467

PLAINTIFFS' THIRD AMENDMENT/SUPPLEMENT
TO PRETRIAL ORDER

Come Now Plaintiffs, by and through Class Counsel, and herewith respectfully file the within and foregoing amendments and/or supplements (shown in **bold** herein) to the Consolidated Pretrial Order filed in this Court on January 28, 2004, and to the First Amendment/Supplement thereto filed February 5, 2004, and to the Second Amendment/Supplement thereto filed February 19, 2004, as follows, by paragraph as numbered in the Pretrial Order:

18.

Attached hereto as Attachment "F-1" for the plaintiff, Attachment "F-2" for the defendant, and Attachment "F-3", etc. for all other parties is a list of all the witnesses and their addresses for each party. The list must designate the witnesses whom the party will have present at trial and those witnesses whom the party may have present at trial. Expert (any witness who

might express an opinion under Rule 702), impeachment and rebuttal witnesses whose use as a witness can be reasonably anticipated must be included. Each party shall also attach to the list a reasonable specific summary of the expected testimony of each expert witness.

All of the other parties may rely upon a representation by a designated party that a witness will be present unless notice to the contrary is given ten (10) days prior to trial to allow the other party(s) to subpoena the witness or to obtain the witness' testimony by other means. Witnesses who are not included on the witness list (including expert, impeachment and rebuttal witnesses whose use should have been reasonably anticipated) will not be permitted to testify, unless expressly authorized by court order based upon a showing that the failure to comply was justified. The parties agree that the respective witness lists may be amended up to ten days prior to the start of the trial, provided that the proposed witness has been previously disclosed in some manner.

Plaintiffs herewith submit an amended and restated Attachment "F-1" Witness List.

19.

Attached hereto as Attachment "G-1" for the plaintiff, "G-2" for the defendant, and "G3", etc. for all other parties are the typed lists of all documentary

and physical evidence that will be tendered at trial. Learned treatises which are expected to be used at trial shall not be admitted as exhibits. Counsel are required, however, to identify all such treatises under a separate heading on the party's exhibit list.

Each party's exhibits shall be numbered serially, beginning with 1, and without the inclusion of any alphabetical or numerical subparts. Adequate space must be left on the left margin of each party's exhibit list for court stamping purposes. A courtesy copy of each party's list must be submitted for use by the judge.

Prior to trial, counsel shall mark the exhibits as numbered on the attached lists by affixing numbered yellow stickers to plaintiffs exhibits, numbered blue stickers to defendant's exhibits, and numbered white stickers to joint exhibits. When there are multiple plaintiffs or defendants, the surname of the particular plaintiff or defendant shall be shown above the number on the stickers for that party's exhibits.

Specific objections to another party's exhibits must be typed on a separate page and must be attached to the exhibit list of the party against whom the objections are raised. Objections as to authenticity, privilege, competency, and, to the extent possible, relevancy of the exhibits shall be included. Any listed

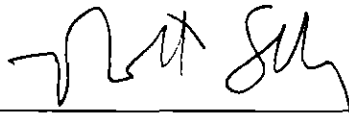

document to which an objection is not raised shall be deemed to have been stipulated as to authenticity by the parties and shall be admitted at trial without further proof of authenticity.

Unless otherwise noted, copies rather than originals of documentary evidence may be used at trial. Documentary or physical exhibits may not be submitted by counsel after filing of the pretrial order, except upon consent of all the parties or permission of the court. Exhibits so admitted must be numbered, inspected by counsel, and marked with stickers prior to trial.

Counsel shall familiarize themselves with all exhibits (and the numbering thereof) prior to trial. Counsel will not be afforded time during trial to examine exhibits that are or should have been listed.

Plaintiffs herewith submit an amended and restated Attachment “F-1” Witness List.

Respectfully Submitted, this 23 day of February, 2004.
